OUR COMMITMENT

WHEN YOU MAKE A COMMITMENT,
YOU BUILD HOPE.

WHEN YOU KEEP A COMMITMENT,
YOU BUILD TRUST.

At Rookie Ninja, we care about our clients by providing the latest training, giving on-going technical and commercial advice, providing updates, upgrades and an excellent technical support.

Above all, Rookie Ninja guarantees that we follow a flexible, serious and respectful B2B distribution policy which is aligned with our customers' need our biggest concern is to offer the most attentive service, the best products, a flawless treatment, and always support partners in all their projects.

OUR SUPPORT

WE ARE WITH YOU, EVERY STEP OF THE WAY

Digital Transformation and Digitization Technologies require a large amount of collaborative work. At Rookie ninja, we know that the needs of our clients begin even before they offer their products and services to their clients.

From the beginning, our consultants look for a solution, the equipment, and the most suitable integration to the project. They inform, clarify doubts, and recommend the best solutions. All of this is order to make it as easy as possible for our valued customers, helping them with the decision-making from the beginning.

INDUSTRY LEADERSHIP

THE BEST WAY TO PREDICT THE FUTURE IS TO CREATE IT.

Rookie Ninja is a one-of-a-kind Distribution company in the region and has seen unprecedent speed of growth in the document imaging industry for the MENA region. Representing prestigious and innovative brands is a great commitment and responsibility for us and we work strategically with our Vendors and ensure that all our vendors get properly represented for the regions we represent them.

We plan and strategize requirements, performance, competition and industry specific information. Our represented firms are guaranteed a wide presence in the MENA region, as well as a solid and reliable brand image, thanks to the great reputation Rookie Ninja has in the industry.

We look forward to Re-Define how Value-added distribution is seen in the region with our unique way of working, strong work ethics, and a genuine desire to do good to everyone associated with us.
