Key **Features**

- 3840 x 2160 4K resolution
- Embedded media player and 16GB storage
- USB multimedia playback
- Expandable external media player holder
- LAN function to access to web

Product **Description**

The ViewSonic EP5540 is a 55" all-in-one free-standing digital ePoster kiosk with a sleek, slim design. Great for grabbing attention in busy, high-traffic areas, the EP5540 comes with a scratch-proof tempered glass faceplate for added durability. Featuring 4K resolution, 178°/178° wide-angle viewing, and dual 10W stereo speakers, the EP5540 delivers customised multimedia messaging with vivid clarity. Photo and video files can be played back using the embedded Quad-core media player and 16GB of internal memory, or add your own media player using the convenient media player cradle inside the lockable security door. The signage content and display management software, as well as compatibility with ProAV control systems, make for easy management of multiple displays.
