Convenient document scanning

Make everyday document scanning simple with a compact document scanner. Paper documents can be easily scanned and transformed into digital files, reducing the amount of paper you have around the office and improving document security.

Across the range...

Practical and compact

The space-saving compact document scanners are ideal when space is limited. Measuring slightly wider than a sheet of A4 paper, you can free-up desk space and reduce clutter.

Versatile media handling

The 20 sheet Automatic Document Feeder (ADF) manages paper up to 128gsm with ease. Whilst a dedicated card slot comfortably handles plastic ID cards up to 1.02mm.

High performance

Scanning up to 25 sheets per minute, your documents can be saved quickly to file, email server, USB host, network and direct scan to PC.

Specifications and Features

ADS-1200

Document Handling

Up to 50 sides per minute (25 sheets per minute) colour and mono scan speed (at 300dpi resolution)

Up to 5ppm (USB bus powered) colour and mono scan speed
